

# Table to Table

**“Delivering food to those who need it the most”**

Students at Noecker School participated in a school-wide fundraiser to increase awareness about hunger in New Jersey. On November 21st volunteers were asked to donate the amount of money they would normally spend on lunch to the Table to Table organization. School counselor, Mrs. Cummings, collected donations during lunch periods with the assistance of several students. Our school raised \$1,063 . . . One of the largest dollar amounts that Table to Table has ever received from a school-based fundraising event! The money collected will help deliver over 10,000 meals as well as fund the trucks, gas, and repairs that make food collection and delivery possible. Thanks to all who participated and way to go Noecker School!

For more information about this community-based food rescue program visit [www.tabletotable.org](http://www.tabletotable.org).

**CHANGE  
THE WORLD  
ONE LUNCH  
AT A TIME**
