

June 2023

Dear Parents,

We are very excited to meet the upcoming third grade students in September! Summer is a great time to spend with a pleasure book. We would like to remind you that the students should continue reading for at least 15-20 minutes per night over the summer. Please make sure that your child is reading a book on their reading level. A list of books organized by level is attached [here](#) for your reference. Children who read a book on their level multiple times a week will not only become more confident readers, but will also have an easier time generalizing the skills taught in the classroom. Thank you for your help and continued support. Have a restful summer vacation!

Sincerely,

The Third Grade Teachers
