**SCHOOL BUS WAIVER FORM
2018-2019**

The Roseland School District has partnered with the Essex Regional Educational Services Commission and are currently in process of preparing new bus routes for the 2018-2019 school year.

We are looking to get an idea of the number of families that will not have their child use the bus to and from school next year. Holding spots on the bus for a student that doesn't use it costs the district money. It has also caused us to have buses with second loops on them that are not necessary when a child is on the roster but does not use the bus.

The District is asking students and parents to review their busing needs and **complete this form and return it to the main office, Attention: Mrs. Sara DeCorso as soon as possible.**

Students and families, eligible for busing, who **voluntarily elect to waive busing** at this time, will be able to re-establish busing at any time during the school year by contacting the District Office.

If you have any questions about this form, please contact our Business Administrator, Ms. Julie Kot @ jkot@roselandnjboe.org or Mrs. Sara DeCorso at sdecorso@roselandnjboe.org Your cooperation and assistance in this matter is very much appreciated. See reverse side for form needing to be completed.

Voluntary Waiver of To & From Student Busing

- School bus transportation for grades K through 6 students to and from school and home is voluntarily waived for school year 2018-19.

- We also understand that we can contact the school during the school year to re-establish a bus stop if our needs change.
