

# 3rd Annual Noecker Career Day- Volunteers Needed

Grades: 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup>

Dear Roseland Community,

As our 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> Grade students continue to research the field of STEAM (Science, Technology, Engineering, Arts, and Mathematics) their interests and enthusiasm for the professions are soaring. To bring their exploration to life, we thought it would be an invaluable opportunity to invite those who are experienced in their field, practicing the research, and can share their expertise.

We invite family, friends and community members to present at our **3rd Annual Noecker Career Day, on Thursday February 8th from 9:00- 10:30 am**. During this event we will be holding two 25 minute small group sessions for you to share your work. It is completely up to you how you would like to help the students get a taste of your field. It could be a combination of an activity, video, presentation, props, or verbal dialogue. Hands-on engaging activities are encouraged.

We thank you in advance for your consideration in partnering with our school for what is certainly going to be a memorable event.

Sincerely,

*Mark Mansour*
