

# Noecker Career Day

## Grades: 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup>

Dear Noecker Parents,

We are excited for next week as Thursday March 9<sup>th</sup> is our second annual Career day for our 4<sup>th</sup>, 5<sup>th</sup>, and 6<sup>th</sup> Grade students. As they continue to work on advisories, and learn about real life skills in class, we feel that Career Day will give them a chance to be exposed to the many diverse opportunities that the world holds. We will be hosting Accountants, Firemen, Police Officers, Veterinarians, Salesman, and many other exciting careers. We are hopeful that the students will begin to learn about their interests and see the enthusiasm for the professions that each speaker has. Thank you to all the parents who expressed interest and will be attending, we know your time is valuable and that your presence with the students that day will have a lasting impact.

Career Day will run in the morning on Thursday March 9<sup>th</sup> and all 4<sup>th</sup>, 5<sup>th</sup> and 6<sup>th</sup> grade students will participate. Students are picking the speakers they would like to attend today and tomorrow and we will give them their schedule for the day next week. To help your child prepare for the day, talk with them about your career and help them come up with ideas and questions to ask the speakers. When they get home from school on Thursday of next week, ask them about who they saw, and what was most interesting about each presenter.

We look forward to carrying on this tradition of fun, learning, and preparation for higher education at the Noecker School for many years to come. We thank you in advance for partnering with our school for what is certainly going to be a memorable event.

Kind Regards,

Robyn P. Greenwald
