Monday, September 17th - Student Grade Level Workshops throughout the day,
Monday, September 24th - Parent Workshop at 5:00pm in the Multipurpose Room

TESTIMONIALS

"JD (of LEAD U) scheduled an appointment with us months in advance. The entire assembly was customized specifically for OUR school, for OUR needs."

"The students absolutely loved the presentation and our PTO & Staff were excited by the team's unique approach. It is one of the few assemblies that is truly interactive with every single one of our students! It encouraged teamwork and critical thinking, while focusing on relevant topics such as being kind, dispelling rumors and "filling our buckets."
