

# Operation L.O.L. Letters of Love

We are proudly continuing with our Lester C. Noecker School tradition and sending “Thinking of You” notes to our Troops during the holiday season.

We are collecting homemade cards and letters from our students that have always added a special touch to the care packages our Roseland Community ships out.

There will be a collection box in the main office from October 1, 2017 – November 22, 2017
