

NOECKER CARES

COMMUNITY SERVICE GROUP

Monthly Update:

Our Noecker Cares Community Service Group has already done so many wonderful things for our school and community.

Noecker's October Spirit Day was very successful! Students wore their Noecker spiritwear or red and donated toothbrushes to the Donate-a-Toothbrush organization. 322 toothbrushes were collected! Thank you parents and students for donating to those in need.

Noecker Cares did a phenomenal job hosting the Veteran's Day program. They made posters and a wreath to help decorate for the event. The officers gave an introductory speech, introduced presenters, gave informational speeches about the songs that were sung, and held a moment of silence for those who fought. Great job!

In honor of Veteran's Day and supporting our troops, Noecker Cares created collection bins for several items that will be boxed and sent overseas. Many various items were collected by our Noecker families and will be greatly appreciated by the troops.

Upcoming Events:

- December 4– Sixth grade field trip - Boxing items for the troops at the First Aid Squad
- December 18– Pajama Collection (More information to come)
- December 20 – Spirit Day
